

# JERSEY SHORE

POST ACUTE REHABILITATION + NURSING

---

Dear Families and Friends,

Please be advised that masks are now optional for staff and visitors but are still encouraged. In the case of an outbreak or high community levels of COVID-19, mask mandates will be reinstated. We are happy to provide outstanding care for your loved ones as well as provide regular updates with friends and family on all the wonderful things happening at Jersey Shore Post Acute. We thank you for your patience as we continue our renovations and are excited to share updates with you! ***PLEASE REMEMBER IF YOU HAVE ANY SYMPTOMS, POSSIBLE EXPOSURE OR TEST POSITIVE FOR INFLUENZA (FLU) OR COVID-19, PLEASE REFRAIN FROM VISITING.***

Please follow our [FACEBOOK](#) for more photos and updates!

Tell us what you think, [Google Review](#)!

Any questions please feel free to contact Aryeh Greenspan, Administrator.  
Thank you very much for your cooperation. We are so excited to see you!

---

Should you request any additional information on any changes in COVID statistics, please contact:
